

# COMMUNITY ROOTS HOUSING

## 2020 Events and Sponsorship Opportunities

### Top of the Town

June 25

Top of the Town has always brought together community leaders, developers, and peers who believe in creating an affordable and inclusive Seattle, and this year is no exception. While physically spread out, we will come together to focus on our collective belief that everyone has a right to a safe, quality, and affordable home. We will be hosting a live video program that includes a conversation between our CEO Christopher Persons and GenPRIDE Executive Director Steven Knipp, as well as an appeal by Dr. Sheila Edwards Lange, President of Seattle Central College.

Sponsor benefits include a substantial audience, recognition in printed and electronic PR materials, links on social media, and acknowledgment in Community Roots Housing's annual report.

*Sponsorship packages range from \$20,000 to \$2,500*

### Omnivorous

October (to be confirmed)

The finest food and drink purveyors of central Seattle come together with hundreds of supporters to benefit CHH residents. It is an unparalleled tasting event coupled with a brief and energetic program, making a uniquely entertaining evening.

Sponsor benefits include tickets, an audience of 300+ guests, recognition in printed and electronic PR materials, including extensive web and print advertising, and acknowledgment in Community Roots Housing's annual report.

*Sponsorship packages range from \$20,000 to \$1,000*

### EcoDistrict Community Forum

September (to be confirmed)

The Capitol Hill EcoDistrict is a neighborhood-scale sustainability initiative, which provides a free public event to engage with local and national leaders on the changes that are impacting our community. This year, we will look at the large investments coming to our neighborhood and the framework needed to shape them and maximize their public benefits.

Sponsorship of the forum brings a significant opportunity to engage with neighbors, commuters, and businesses owners impacted by our community development work, as well as inclusion in PR materials, acknowledgment in the EcoDistrict Annual Report, and website. We particularly encourage sponsor participation from small local businesses at this event.

*Sponsorship packages range from \$10,000 to \$500*
